

## Media Release

### Introducing our new website

26.08.16

If you're reading this, you've probably noticed that our website looks a little different. It's fresh, exciting, colourful and up-to-date. It reflects HOME as a company and we hope you like it!

Please do have a look around and learn more about us – who we are, our culture, our people, what we do and how we do it. Take a look at the charities that we work with and our impact. We're incredibly proud of what we do and what we have achieved since we were founded in 2002.

Our new website will also feature news stories and blog posts that will showcase our latest thinking and will be classified as inspiring, intelligent, insightful or pioneering. We hope you enjoy them and please do start a conversation with us and let us know what you think over on [Twitter](#).
